Meeting Sundays at 3pm

Thank you for checking us out. At Mt Brydges Baptist Church we aim to be a loving, caring community following our Lord Jesus Christ's example as the family of the Lord, as brothers and sisters in Christ.

Mt Brydges Baptist Church is located within the community of Strathroy-Caradoc west of London, Ontario. Formed to offer fellowship and bring glory to God in 1867, our Church has stood as a light in the wilderness continuing as hope for our community. As the family of God we are encouraged by the wonderful opportunities He brings to us as your neighbour to serve and support you. Let us know how we can be of assistance to you at any time. Beginning in October 2015, our congregation elected to relocate to the Community Christian Centre where we enjoy the use of these wonderful facilities together with the Community Christian Centre Church and Sonshine Day Care. This modern building which offers full unrestricted access for everyone will assist us in our continued goal to reach out and meet the needs of the community around us.

Have you noticed our Logo?

The rainbow was not only a promise from God but a reminder. The four colours remind us to reach into our diverse community with the opportunity to share Christ as our loving Lord and Saviour; to be challenged to live the life of Christ; and the assurance Jesus is with us always. The nails of the cross remind us it was our sin for which Jesus died. Through God's sufficient grace the cross points us to Jesus.
